SFS receives Bosch Global Supplier Award

SFS was the sole supplier in Switzerland to be honored with the “Bosch Global Supplier Award 2015” from Robert Bosch GmbH. SFS received this award in the “Mechanics” category.

Bosch is an important and long-standing customer of SFS. The Automotive division of SFS supplies Bosch with ready-to-fit parts for ABS systems. The current award covers the years 2013 and 2014 and this is the seventh time that SFS has been honored by Bosch as an outstanding supplier.

Bosch does business with 35,000 suppliers around the world. The global technology and services company recently honored 58 suppliers based in eleven countries with this award, which was presented in five categories. The Bosch Global Supplier Award recognizes outstanding performance in the manufacture and supply of products or services, with a special focus on quality, cost, logistics and innovation.

Alfred Schneider, Head of the Automotive division of SFS Group: “We are thrilled to receive this award. Thanks to our early engagement in product development processes, we were able to produce high-value solutions together with Bosch. I am proud of everyone on the team who contributed to this achievement through their hard work and dedication.”

About SFS Group

SFS Group is organised into three business segments Engineered Components, Fastening Systems und Distribution & Logistics which represent the three business models. In the **Engineered Components** segment, SFS partners with customers to develop and manufacture customer-specific precision formed components, fastening solutions and assemblies. The segment operates in the Automotive, Electronics and Industrial divisions and sells its products under the SFS intec and Unisteel brands. In the **Fastening Systems** segment, consisting of the Construction and the Riveting divisions, SFS develops, manufactures and markets application-specific mechanical fastening systems under the SFS intec (Construction) and GESIPA (Riveting) brands. In the **Distribution & Logistics** segment with the SFS unimarket brand, SFS is a leading provider of fasteners, tools and architectural hardware as well as innovative logistics solutions in Switzerland. SFS Group is a global player with manufacturing sites and distribution companies at 72 locations in 24 countries around the world. Sales in business year 2014 amounted to CHF 1.383 bn and the work force numbered approximately 8,300.
